

Enroll in Digital Banking on Desktop or Mobile

Digital Banking Made Simple

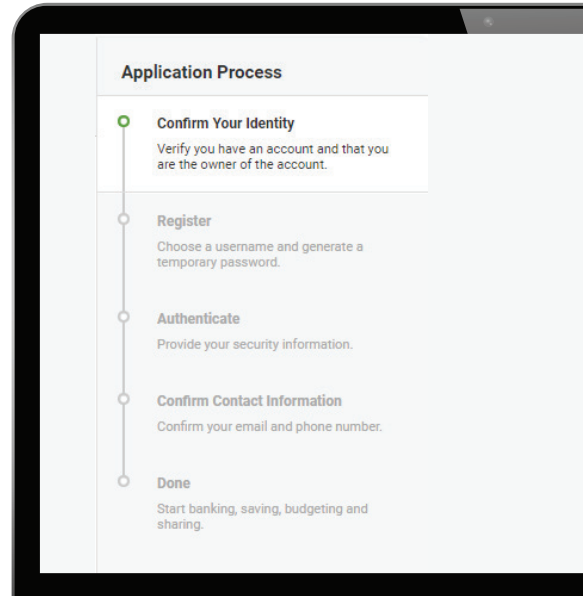

Access your Wheelhouse accounts securely and conveniently on the desktop or mobile. Here's how to get started:

1 Mobile or Desktop
To enroll on mobile, download our app by scanning the QR Code below or go to **WheelhouseCU.com/Enroll** from your desktop.

2 Enrollment Process
Have the following information handy before starting the process: **Member Number*, Birth Date, Social Security Number or Tax ID, Email Address or Zip Code.** From the enrollment screen, click **"Continue"** after accepting the User Agreement.

*Refer to your Membership Card or call us at 619-297-4835 for your Member Number.

3 Complete Registration
After inputting your information above, you'll be asked to create a unique **Username** and secure **Password**. We'll send a temporary passcode via email, text or voicemail to complete the authentication. Finalize the enrollment by confirming your email and phone number. You're now ready to bank online!

On the Go? Take Us With You.

Download our mobile app from the Google Play Store or Apple AppStore.

Insured by NCUA

Security Tip - Having a strong password is the key to protecting your accounts. A strong password should be longer than 8-digits, has a combination of upper and lowercase letters, numbers and special characters.

Do not share your password or passcode with anyone, not even with us. We will never ask for your Digital Banking credentials such as Username, Password or to confirm your identity through a text confirmation code.

For more security tips, visit WheelhouseCU.com/Security.
