# Digital Banking
How to enroll in Digital Banking

Banking online made simple and convenient.

1 **Mobile or Desktop**
Access your Wheelhouse accounts on your desktop or mobile device. Download our app or go to **WheelhouseCU.com/Enroll** on your browser to enroll.

2 **Registration**
Have the following information handy: **Member Number*, Birth Date, Social Security Number or Tax ID, Email Address or Zip Code.**

*Refer to your Membership Card or call us at 619-297-4835 for your Member Number.

3 **Authenticate**
After creating your **Username**, we will send you a temporary passcode via email, text or voicemail. Complete the enrollment by creating a new secure **Password** and you're done!

Confirm Your Identity
Provide all the required information below

Member Number

Birth Date
MM/DD/YYYY

SSN/TaxID

Answer one of the questions below

Scan the **QR Code** to download our Mobile App

Available on the **App Store**

GET IT ON **Google Play**

Security Tip - Having a strong password is key to protecting your accounts. A strong password should be longer than 8-digits, have a combination of upper and lowercase letters, numbers and special characters.

Do not share your password or passcode with anyone, not even with us. We will never ask for your digital banking credentials such as Username, Password or to confirm your identity through a text confirmation code. For more security tips, visit **WheelhouseCU.com/Security**.
